Unite Foundation Annual Summary 2022

To date, the Unite Foundation has awarded **614** scholarships

291 scholars have graduated are now pursuing their dreams!

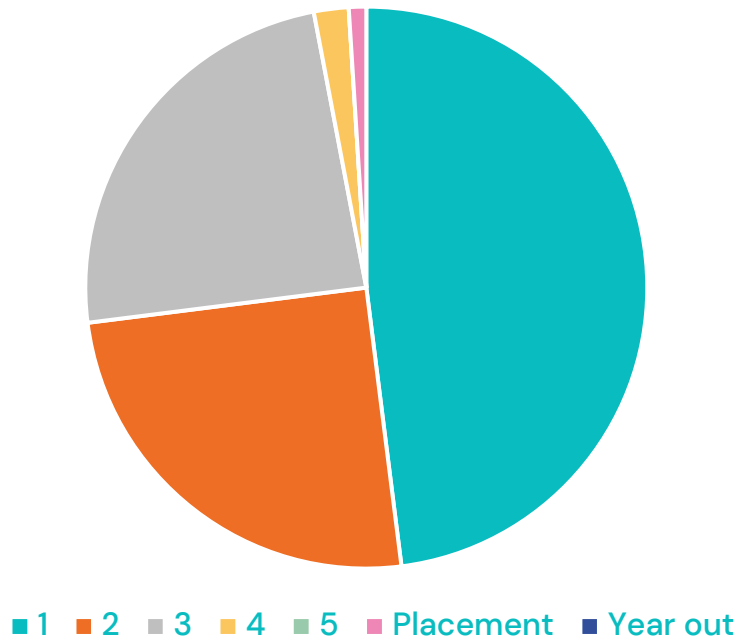

Degree grade achievements so far

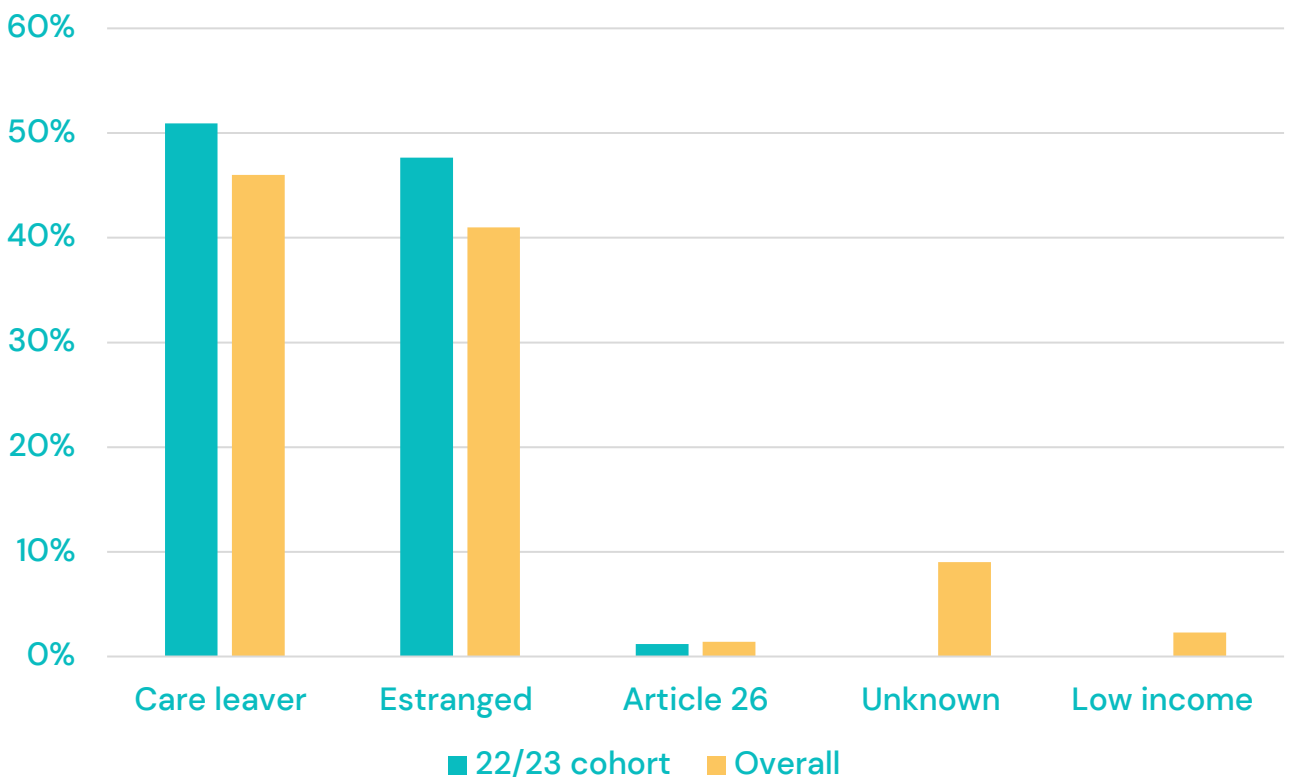

* Those showing as unknown are where either the student or university haven't confirmed the progression. These are primarily historical records, we've focused a lot more on university partnerships to obtain the degree classification of students.

In 2022 we awarded scholarships to **100** students (our 22/23 cohort) who have a home at university with us this year.
